

... see what's hatching —
this spring at
GEORGIES!

This spring, see all the possibilities that
GEORGIES glazes can bring to your
garden, or outdoor living spaces!

Our 3 pole TOTEM makes use of 2 of our clays:
CC520 G Mix ^6, a creamy white stoneware and
CC535D Trail Mix Dark Chocolate ^6.

We also used our line of Interactive Pigments, our Gloss,
and our Sculptural/Textural line of glazes, applying varied
techniques that we'll share with you throughout this flyer!
